The *Austin Powers* actress, 54, looked decades younger as she flashed her ample assets in a racy black number with a daring neckline.

The plunging dress emphasised the star's huge boobs , which she clearly enjoyed showing off to other partygoers.

The *Bedazzled* babe drew further attention to her bosoms with an ornate gold and amber cross pendant.

One fan said: "I'd like to get real, real close to them busters – then shower them with my special sauce from my winkle.

"Happy New Year! Ummmm! Nnnnnggg... oh no, too late!"

Brit babe bares her boobs in hit new Netflix show

By WENDY THOMAS

SPELLBINDING: Anya's magic boobs

NOW these knockers really are MAGIC!

They belong to stunning Anya Chalotra, who stars as Yennefer of Vengerberg in Netflix's biggest hit of the Christmas season – *The Witcher*.

The fantasy show is about a load of magic folk in an olde worlde magic setting who all love and fight and do magic at each other.

But most importantly they also get very naked – like 23-year-old Anya, who bares her rather amazing busters in a number of scenes.

She plays a sorceress who is an enemy of the main character – The Witcher, played by Henry Cavill.

A TV source said: "No wonder this is already one of Netflix's biggest hits of the year – Anya's tits are out of this world.

"Seriously, they are like magic. Once you look at them, you can't stop.

"It's like a spell."

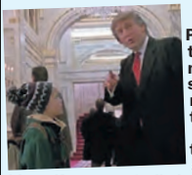
MONDAY

THE Vatican launches a "friendly" computer game to try to lead teenagers away from the violent and "toxic" alternatives.

I always thought that the Catholic Church invented Pacman seeing as it's all about a cheeky chap who keeps getting chased down and gobbled by creepy little ghouls in funny dresses.

Apparently, priests will be offering free tutorials for any youngsters who wish to play the new game. But, for technical reasons, you will need to be blindfolded while you waggle the joystick.

TUESDAY



PRESIDENT Trump throws a tantrum after Canada's national broadcaster, CBC, shows a version of the movie *Home Alone 2* – with the Donald edited OUT.

If you're not familiar with the story, it's all about a spoilt brat who finds himself unexpectedly in charge after the grown-ups fail to pay attention.

And now he's upset because he was edited out of a film.

WEDNESDAY

PRINCE Andrew swerves the traditional Christmas Day service at Sandringham – to avoid embarrassing his mum, the Queen, even more than he already has.

He did go to an earlier service as he enjoys getting stuck into a nice Carol at Christmas. By which we mean a festive hymn, obviously – not the young lass who gives out the prayer books.

To be fair, Andrew loves hearing the Nativity story...but he does get a bit confused by Mary and Joseph's failure to find any vacant rooms in Bethlehem.

Couldn't they just kip in the billion-dollar penthouse of a disgraced paedophile chum?

THURSDAY

LEADING barrister Jolyon Maugham causes outrage by battering a fox to death with a baseball bat – then boasting about it on social media.

Well, he wouldn't be the first fella to go out clubbing on Boxing Night – and end up making a right mess of some cheeky little vixen.

FRIDAY

RESIDENTS of a posh village in Cheshire react with fury when they discover that the disgraced weatherman Fred Talbot is now out of jail and living among them.

"He should go and take a running jump!" said one angry father.

Yeah...but then he'd only upset the good people of Northern Ireland.

SATURDAY

THE classic board game Monopoly releases a "feminist" version in which female players are paid more for passing "go".

Sadly it doesn't make much difference as they'll still struggle to get beyond Free Parking. Well, they will if you say they have to reverse into the space.

I tried playing it with my missus to see if it made me treat her with more respect but we didn't even start, let alone finish – possibly because I said she could only be the little dog or the old boot.

Demi Rose strips on her New Year holiday

BIG-BUMMED model Demi Rose has chosen to celebrate the New Year early – on holiday in Thailand.

And judging by these sizzling photos, she is having one hell of a time.

The Brummie beauty stripped off her bikini top and grabbed her huge knockers before showing off her ridiculously horny bottom in a tiny black thong.

The last 12 months have seen the busty 23-year-old stunna become even more famous, with 11.6million people following her on Instagram.

In 2020, she hopes to cash in on that fame with some TV work – including her own reality show.

A showbiz source said: "Demi has it all – the looks, the body, the personality.

"It's all coming together for her and, by the end of 2020, everyone will know her name!"

SCREW GAVE CON HER DIRTY LITTLE PANTIES

BANGED UP: Ayesha Gunn

A PRISON officer smuggled her used panties into a jail – then gave them to her hardened criminal lover so he could sniff them while he furiously masturbated.

Ayesha Gunn fell for HMP Berwyn jailbird Khuram Razaq during their four-month affair – even swapping X-rated vids and filthy pics.

The 27-year-old brazenly took a picture of them kissing while she was on duty at the prison.

During their secret relationship, Gunn contacted her lover more than 1,200 times using three separate phone numbers, bought him clothes, placed bets for him and brought a smartwatch into the prison for him.

Mold Crown Court heard there were snaps of the pair kissing and hugging in Ms Gunn's bedroom and that she had smuggled in the pair of knickers for him inside her bra.

Explicit

Some of the vids and images they exchanged were also shared online.

Prosecuting barrister Simon Mills said that Ms Gunn had been a probation officer at the 1,200-inmate jail since it opened in February 2017, and had been fully trained in security awareness and corruption prevention.

Mr Mills added that the pair "weren't being particularly subtle" about their inappropriate relationship.

Colleagues noticed Ms Gunn spent a lot of time with Mr Razaq and went in his cell for long periods.

The pair would send each other explicit sexual videos and stream sexy live footage of themselves, and they even remained in touch after her arrest.

In one explicit video, Mr Razaq told the prison officer: "I can't wait until next week. I am going to throw you on my bed."

A number of reports led to an internal investigation and his in-cell official phone was examined.

Mr Razaq had added the name of a woman purporting to be a Keeley Mason and by November had called her 913 times for hours on end.

They were listened to and Ms Gunn's voice was recognised.

Gunn arrested in November last year on suspicion of misconduct in a public office.

She pleaded guilty and was jailed for 12 months at Mold Crown Court.

Razaq, now of Buckley Farm Prison, Rochdale – currently serving a sentence for conspiracy to rob – admitted two charges of possessing a specified item inside a prison (a mobile phone), between August 27 and November 10 2018.

GRUMPY *Bake Off* star Paul Hollywood's ex missus has been hit by internet pervs who have bombarded her with messages that she makes them want to spunk.

Summer Monteys-Fullam found fame after the famous Scouse breadmaker slipped her a length after meeting her while she worked as a barmaid.

They have since split up and the 24-year-old redheaded beauty is now making a living as a social media influencer.

And her 24,000 Instagram followers were thrilled when she posted a picture of herself in sexy red lace and pink satin lingerie she had been sent for free by Ann Summers.

But the snaps, which showcased her massive knockers, were too much for some – and they couldn't stop themselves telling her how much the image had made them spunk!

A source close to Summer said: "She is still new to this game, so it was a bit of a surprise when people started telling her she had made them do an orgasm.

"When you read stuff like that, you get an image of spurting cocks in your mind and no-one wants that.

"Well, not many people anyway."

Jade fans get 'horny' over sexymas pic

LITTLE Mix beauty Jade Thirlwall was forced to call out "horny" fans after one left a saucy comment on her Instagram pic.

The 27-year-old (*above*) shared a snap of herself on Christmas Day and joked she was waiting for it to end so she could enjoy her Boxing Day birthday.

The image showed her standing in a swimming pool – apparently naked, with a Santa hat superimposed on her head and her eyes rolling in boredom.

She wrote in the caption: "Me waiting for Christmas to end so my birthday can begin."

It was posted innocently enough but it seems one of Jade's followers had other ideas.

She later posted a screengrab on her Instagram stories showing that a spam account had written in the comments: "Don't look at my story if you don't want to masturbate."

Jade replied: "These horny commenters have to chill."

I'D like to start with the chimney jokes – I've got a stack of them. The first one is on the house.

Boots up-skirt perv struck off

A BOOTS hearing aid technician who secretly filmed up the skirts of female patients has been struck off.

Lee Newton was caught when a USB stick containing more than 20 videos was found at the store where he worked.

A disciplinary hearing was told the filming took place over five years and victims included patients and members of the public.

Health and Care Professions Tribunal Service struck Newton off after it was heard he recorded the footage at a Boots store in Leicester for his own sexual gratification and has not shown any remorse.

The USB stick found in the store also contained footage of sexual acts involving Newton, of Loughborough, Leics.

Newton previously admitted outraging public decency at Leicester Magistrates' Court.

GAVIN A LAUGH: Matthew in popular TV show

Itty-bitty Matthew Horne lookalike's vile sideline exposed

A SEEDY dwarf who is the image of Gavin and Stacey star Mathew Horne is making a bang tidy living by furtively SHITTING on perverts' carpets.

By JUSTIN DUNN
news@sundaysport.co.uk

Gerard Rickett advertises his nefarious services on the murkiest areas of the internet – the sinister so-called Dark Web, home of sex fiends, drug peddlers and arms dealers.

There, sick punters can book Rickett, 39 – who is no relation whatsoever to 41-year-old performer Matthew – to "lay a cable or a thick gorilla's thumb" on their favoured floor covering, according to his web page.

Sunday Sport can reveal that his clients include a minor royal, a soap star, a controversial TV presenter – and even a former Premier League footballer.

We brought details of his vile secret life to his normal seasonal employers – a pantomime company in the north of England that we cannot name for legal reasons and pint-size Rickett, who stands at 4ft 8in, is now a doubt for his role as Buttons in a regional performance of Cinderella.

His online CV makes little reference to his many years in the panto industry – instead pushing his filthy sideline of curling one off onto the carpets of the rich and famous.

Turd

His website, which self-mocks his diminutive height, reads: "Gerard can snap off a turd at the drop of a hat. Get in touch now for a shitty by a bitty!"

Prices range from £20 for "a quick pebble" to £50 for "a full carpeting – price of pre-crap curry included".

When we approached him at his caravan in a car park near to Warrington Central railway station in Cheshire, however, Rickett was reluctant to engage.

Waving a frying pan while standing in his doorway, he snarled: "So much for Christmas spirit, eh, you c***s!

"I'm just an honest man doing an honest job and what people do in their own homes is none of your business."

Actor Matthew returned to our small screens on Christmas Day with a festive special alongside co-stars James Corden, 41, and Joanna Page, 42.

Before Christmas he found himself in a Twitter spat after he branded the BBC's fragrant political editor Laura Kuenssberg a "plopcarpet" for her general election coverage.

He later deleted the tweets and posted the message: "I apologise to both *@bbclaurak* and the BBC for my comments on election night. I realise I used my public platform and passion for politics in an incorrect way."

We have passed on our dossier to the pantomime authorities.

Gavin & Stacey attracted a bumper audience of 12 million viewers and was the most watched show over Christmas.

THE VOICE OF YOUR BRITAIN

It's time we put all trolls behind bars

THE electrical internet has brought us so many benefits.

Holidays can be booked without the need for an old-fashioned "travel agent".

Goods can be ordered "online" and a vague approximation of what was advertised delivered to our doors by cheery, dedicated van drivers who love their jobs so much, they do not even pause their days to defecate.

Millions of pictures of cats can be "shared" via the web – keeping women and homosexuals entertained for hours.

But there is, of course, a dark side to the World Wide Web.

And inhabiting that dark side are the so called "trolls".

These malevolent souls inhabit the edges of the internet, emerging only to throw scorn at others – safe in the knowledge that their online pseudonyms protect them from the opprobrium and public banishment they so richly deserve.

One of these trolls recently took aim at the delightful Holly Willoughby, cruelly suggesting that she looks as though she has been engaged in lengthy sexual relations with boxer Anthony Joshua and crooner Mr Stormzy.

Of course, this could be dismissed a distasteful "joke".

But it is surely intolerable that Holly – who brightens up the lives of the retired and jobless with her "This Morning" TV show – should be exposed to such filth.

Let us hope that, in 2020, the authorities find a way to trace these trolls and put them where they belong...

IN PRISON!

2020 will be a winner!

SO here we are, readers, on the brink of another year.

And what a year 2019 has been!

Naturally, politics has dominated the year with the ongoing Brexit business and the bitterly-fought General Election.

Now, hopefully, our elected rulers can settle down to the business of running the country while the rest of us can jeer at the Remoaners and Corbynites who have been swept so comprehensively from the political map.

With a bit of luck we can out the divisions behind us and march forward to the broad sunlit uplands of Britain's future outside the EU.

We've got the Euros and Olympics this year and, without doubt, we'll see more of Rita Ora's tits.

So all that's left for us to say is, HAPPY NEW YEAR, readers!

Kim's old chum pens book with sex tape secret

A PAL of reality TV babe Kim Kardashian has written a searing novel that includes a heroine just like the star who sells her sex tape for millions on the orders of her mum.

Tabloid hack Kevin Dickson was buddies with Kardashian from the mid-2000s till her 2011 divorce from NBA star Kris Humphries and acted as her go-between with mags.

Dickson has already penned books which had been thinly veiled accounts of his time in Hollywood but his new tome seems to answer questions about Kim's rise to fame.

In an excerpt, a girl named Zia Zandrian calls an editor named Chauncey Toliver and declares she's been paid $5m for a sex tape.

Toliver says, "I thought you didn't want to release it?" to which Zandrian replies, "I don't. But like Mom says, when else am I likely to earn $5m?"

Kim's notorious sex tape with rapper Ray J was made in 2007.

Nick visitors' see-thru ban

PRISON visitors have been warned not to wear 'see-though' or revealing clothing in a decency clampdown.

Visitors to HMP Durham have been urged to resist dressing up for visits to see loved ones or friends at the jail.

Among the items of clothing on the banned list are see-through or transparent clothing, as well as "revealing tops and cropped tops revealing the navel area".

Other items on the list include "male vests of any kind, football shirts and short skirts unless worn with leggings".

It also insists shorts should be "mid thigh to knee length".

A spokesman for the charity North Eastern Prison After Care Society: "This is to prevent inappropriate clothing being worn in and around other visitors and staff."

I'VE BEEN LIVING IN A BUNKER SINCE JANUARY 1981

WORLD EXCLUSIVE

Tim found by HS2 rail workers near Birmingham

WHEN he heard banging on the locked hatch lodged into the shipping container ceiling above him, Tim Anderson thought it meant the end of the world.

The sound was one Tim, 48, had been dreading ever since his dad Howard "popped out" to get more supplies for his homemade nuclear bunker – but never returned.

The year was 1981 and the then US President Ronald Reagan was still sabre rattling with Russia during the Cold War years.

Tim, a wide-eyed 10-year-old at the time, followed his father's instructions to stay put "and one day just became two days, then three, and so on", he said.

Huge supplies of bottled water, tinned foods, books and VHS movies meant Tim, who wanted to be a train driver, could survive easily underground.

Paranoid

The bunker was packed with specialist air clearing equipment and primitive solar powered batteries.

And up until Monday, he may have stayed down in his bunker near Wishaw, West Midlands, without anyone knowing he was there.

By BRAD CHADWICK
news@sundaysport.co.uk

But then workers doing preparation and land clearance work on the controversial HS2 high speed railway route hit upon his trapdoor – and now Tim's life has begun anew.

Amazingly unscathed by 39 years of living alone underground, Tim said: "I've never known any different.

"Mum left home when I was a baby. It changed dad a lot and made him quite paranoid.

"He was terrified of Reagan pressing the nuclear button and said we'd be safe here if the worst happened.

"We'd been down here two weeks when he said he had forgotten something, went out – and never came back.

"I was so scared I just stayed down here. I thought dad might have perished in a nuclear attack.

"But obviously he didn't. He'd just f**ked off and left me here. Clearly, he was a bit of a c**t.

"If he's still alive, I'm going to kill him."

Now Tim is grappling with the wonders of modern technology.

He said: "I can watch telly on a little box you can hold in your hand.

"And that internet thing is amazing. You can watch porn films and buy bread and everything.

"I'm really looking forward to spending New Year above ground, and hopefully I'll even find someone to kiss.

"If it wasn't for that HS2 thing, I'd still be living like a mole."

WALLIAMS FACES SPUNK BACKLASH

FUNNYMAN David Walliams was deluged with off-colour BUKKAKE torment after he posted a video message to help publicise his hosting of the National Television Wards.

The 48-year-old comic (*left*) burst out of a cake to illustrate the forthcoming ceremony, which is the 25th anniversary of the NTA Awards.

But Walliams got COVERED in sticky white icing, prompting fellow comedian Ricky Gervais to take a moment away from teasing the trannies to tweet: "We're all thinking it."

So it would seem was Twitter user Funkztadelic, who added: "And who was the bad shot that got it all over the jacket and not his face?"

And un-PC Gareth Quinn posted: "Looks like he's just been for an audition with Harvey Weinstein."

Meanwhile a pal of Walliams said: "Well, David does play up the camp stuff.

"He should not be surprised if people joke about him getting a face full of spunk and that."

‘Neighbour row’ drunk off his tree

A DRUNK hid in a TREE to avoid cops – then fell out because he was so bladdered.

Richard Ettles, 40, had tried to kick in a neighbour’s back door in Bucksburn, Aberdeen, during an altercation at housing association flats in June.

At the city’s sheriff court fiscal depute Anne MacDonald said: “Residents called the police, saying Ettles had been trying to kick their door in.

“When officers arrived he appeared to have fled the scene. Police searched for him and it emerged he was hiding in a tree.

“He ended up falling out because of alcohol consumption.”

Mrs MacDonald said as he was being taken to a local police station, Ettles made reference to one of the officers, adding: “He became unruly and started shouting and swearing. At one point he said, ‘I will burn you with the IRA’.”

Solicitor Lynne Bentley said Ettles had drunk “too much” alcohol on the day.

Ettles was ordered to do 60 hours of unpaid work after he pleaded guilty to acting in a threatening or abusive manner.

He was also placed under the supervision of social workers for a year.

EMMA K is fed up with people being shocked when she tells them she prefers whisky to gin and prosecco!

The 26-year-old has been partying loads this festive season and is sick and tired of everyone assuming she’d prefer a fancy gin and tonic to a nice drop of whisky.

The 32EE beauty, from Derby, said: “All my mates are obsessed with gin.

“It used to be prosecco, but now it’s gin that they’ll pay fifteen quid for in a bar.

“I prefer a nice single malt – it’s much more of a satisfying drink and it’s worth the money.

“Gin is just flavoured vodka. It’s a rip-off!”

ICE DANCE HOLLY IN 3-SOME STORM

Trolls shower telly beauty with filth

HOLLY Willoughby excited fans with her extremely low cut dress on the *Dancing On Ice* Christmas special.

Viewers on Twitter went wild when Holly stepped out in the dress with her presenting partner Phillip Schofield.

Holly, 38, wowed in the frock, which gave an ample view of her assets – prompting one viewer to ask if she was wearing her dress 'back to front'.

Another alluded to her nickname on *Celebrity Juice*, writing: 'I see Holly's got her Willowboobies Out.'

Another besotted fan added: 'Christ on a bike! Holly Willoughby might as well be topless wearing a dress like that! #Dancing On Ice'.

But not everyone was so polite. A character calling themselves Throw Away The Key took to a newspaper comment page to say: "Always looks like she's just had a twelve hour seeing to from Stormzy and Anthony Joshua."

Pals were quick to defend Holly's honour against – granted, jesting – suggestions of a threesome.

One stormed: "No doubt some little inadequate thought it was amusing to say this online, but it is just so vulgar.

"I for one cannot get the image of Holly sandwiched between an urban grime artist and a heavyweight boxer out of my head.

"These trolls need tackling."

Couple in 60s nicked for pub loo sex

AN elderly couple were arrested after they were found shagging in the toilets at a busy bar.

Customers first complained to staff about Debra Vogt, 62, and George O'Brien, 60, before police were called.

When asked by officers to leave the bar, Vogt and O'Brien – who were "heavily intoxicated" – denied having sex in the restroom.

The pair also refused arrest and did not initially reveal their identities.

Vogt and O'Brien were charged with trespassing, disorderly conduct and resisting an officer.

Meanwhile, Vogt faces a separate charge of assault for allegedly hitting a policeman in St. Pete Beach, Florida.

Museum meteor's glass lid levitates!

A GLASS lid at a museum mysteriously rose above the famous meteor that exploded over a crowded city in 2013.

The 1,000lb fragment, which was fished out of a lake several months after it crashed to earth over Chelyabinsk, Russia, is on display at the city's Museum of South Ural History.

The meteor caused window-shattering shockwaves and injured several hundred people.

But now the space rock has thrown up another surprise by making the lid of the case housing it mysteriously levitate.

Surveillance footage shows the glass lid spontaneously rising by a few inches and floating over the meteor as museum visitors and security staff watch in bemusement.

The dome then rises again before returning to its original position.

Museum director Vladimir Bogdanovsky ruled out foul play because the only remote control that raises and lowers the glass dome was locked inside a box under video surveillance.

He said: "We can't explain it yet."

But Bankes-Jones – who boasted about having plastic-free Xmas present wrapping was roundly mocked by other users on the social media site.

Hundreds in nude to take over Towers

HUNDREDS of nudists are set to take over the hotel and water park at Alton Towers for a NAKED weekend.

The event has been organised by British Naturism Events and is scheduled for November 20-22, 2020.

Although the hotel at the Staffordshire theme park is typically closed at this time, the venue will open especially for the event.

More than 400 members of the naturist group will use the water park and hotel completely naked. They will not try out the rides in the buff as the theme will be closed at the time.

Tickets for the event are now on sale.

A description reads: "If you have never experienced a British Naturism Alton Towers weekend then were have you been?

"As at all our British Naturism events nudity is permitted 24/7 giving you two nights of clothes freedom."

The price of the stay includes a twin room for two nights, bed, breakfast, water park entry and all-in entertainment.

Tesco's order Pumpkin ban

A CAT owner whose pet has been banned from Tesco says she is "a little confused" by the decision.

Jo Harding said her male ginger moggy, named Pumpkin, visited the Thorpe Marriott branch in Norfolk "most days" as it was close to their home.

But the six-year-old pet had now been banned as Tesco said a food store "isn't the best place for a cat to be".

Ms Harding said: "I would often pop in after work, see him lounging around and say 'come on Pumpkin, come home for your tea' and he would trot after me."

In a statement, Tesco said: "Although we love the little ginger cat who visits... a food store isn't the best place for a cat to be, so our colleagues gently encourage him to go out when he tries to come in."

PERV PULLED PUD IN CINEMA OVER STAR WARS LESBO KISS

WANKER: Harptree

KISS: Lesbo snog

CHEST GREAT: Christine shows off curves

SHOW TRIAL: Stars in tonight's BBC hit

Why minister was so keen on Keeler!

THIS 1960s society beauty was well worth risking state secrets and your political future for!

As the BBC broadcast *The Trial of Christine Keeler* tonight, this amazing, never-before-seen topless snap of the beauty has been uncovered.

It shows Christine Keeler, the woman whose affair with War Minister John Profumo brought down Harold MacMillan's Government in 1963, completely topless with her nipple on full display.

Risk

And you can see just why Profumo was willing to risk shagging a bird who was also getting slipped a length by a top Russian Naval attaché who was desperate for nuclear weapons secrets.

Keeler, who died in 2017, really did have a cracking rack!

By SIMON DEAN simon@sundaysport.co.uk

IT'S the climax – after more than 40 years – of the epic *Star Wars* saga.

Star Wars: The Rise of Skywalker, directed by J.J. Abrams, ties up all the loose ends of the franchise that redefined sci-fi when *A New Hope* appeared in 1977.

But that's not what has made *Rise of Skywalker* the most talked-about movie of the year...

It's the LESBIAN KISS that has got all the attention.

The split-second smooch between two lady Resistance fighters has generated millions of column inches and, in one Newcastle cinema, a disturbing reaction.

For Lionel Harptree was so overwhelmed by the same-sex snog he started to furiously masturbate in the cinema, which we are unable to name for legal reasons.

Beating

Naturally enough, the 45-year-old's antics did not go down with other patrons and, after the oddball received a sound beating from several outraged dads, he was forcibly ejected from the auditorium and into the custody of waiting police officers.

In court on Christmas Eve, single Harptree admitted one count of outraging public decency and one of performing a lewd act in a premises licensed by a local authority.

He will appear in court again in the New Year for sentencing.

SCREEN BOOBS OF 2019

4-PAGE SPECIAL

By JAYNE FERGUSON
news@sundaysport.co.uk

THE past year really has been a golden one for actresses getting their knockers out!

Because 2019 has been a smorgasbord of nude female thespians practically queueing up to delight us at the cinema.

Naked bankers like Amber Heard, Dakota Johnson and Julianne Moore were joined by the likes of *The OA's* Shannon Walsh in the full flesh stakes.

And lovely Emma Stone didn't disappoint when she shed her wares for a sizzling lesbian scene in Oscar-winning royal flick *The Favourite*.

Another star apparently less afraid than *Game of Thrones* hottie Emilia Clarke is the recently divorced 51-year-old stunna Naomi Watts, who appeared topless in *The Wolf Hour*.

So roll on 2020 – let's hope it's even better on the screen boobs front!

Dad, 40, admits incest bid as he weds daughter

A SICK dad has admitted attempted incest after marrying one of his own daughters – who fought with her own sister to have sex with him.

Travis Fieldgrove, 40 (*above*), wed 22-year-old daughter Samantha Kershner last year, even after police in Adams County, Nebraska, looked into their warped relationship.

The estranged pair first met when Kershner was 17, after her mum told her Fieldgrove was her dad.

They initially developed a normal father-daughter relationship before cops claim they began a sordid sexual affair.

Their romps took place after Kershner got into a "jealous competition with her half sister".

A police spokesman said: "They quickly married after being notified of the investigation."

Fieldgrove will be sentenced next month for attempted incest.

Kershner was given a nine-month probation order.

Miss is 'toughened up' with devil child

TEACHERS locked a new classroom assistant in a cupboard with a seven-year-old devil child to "toughen her up" an industrial tribunal heard.

Wendy Maki said her colleagues jammed the door with a fire hose while the lively lad kicked and punched her during the 2017 incident.

Maki, 50, of Grapeview, Washington state, USA, went public with her story, in part to draw attention to the lawsuit she's filed against the Bremerton School District, but also to expose what she believes is a hidden problem – the trauma and violence that teachers sometimes endure on the job.

The tribunal heard the seven-year-old she was locked in with had already broken one teacher's nose and given another concussion.

The case continues.

RITA SHORE IS LOOKIN' ORA-SOME!

HOT Rita Ora is certainly making the most of her festive break as she showcases her sizzling figure.

The *Anywhere* singer, 29, displayed plenty of boob in a white halterneck swimsuit as she posed up a storm on a yatch off the shores of St Barts in the Caribbean.

Later, the songstress shared snaps of her in a bikini on her Instagram during the holiday – including one where she showed off some very pert, nipples and a bit of underboob.

One fan said: "She's cheered up a very damp day for me…ngggggg!"

NESSIE ATE MY WIFE!

DEVASTATED: Fisherman Tom and *(above)* wife Hannah

Fisherman's torment as Scottish monster gulps down missus... on Norfolk Broads

A "DEVASTATED" fisherman claims his wife was swallowed up by a Loch Ness-style monster as he tried to catch carp on the NORFOLK BROADS.

Keen angler Tom Whittle, 61, said wife Hannah, 59, was "sucked" off the deck of his boat as she was bringing him a cup of tea.

He said the unidentified beast had unexpectantly risen from the waters near Great Yarmouth – shocking him "to the core".

Then, he says, the monster snapped down towards his vessel and "in one, terrifying neck movement, took my Hannah from me".

Tom added: "I didn't kill her."

The retired postman said it all happened in seconds, adding: "One minute Hannah was walking down towards me at the bow of the boat. The next she was gone.

"A monster came up out of the broads, sucked Hannah off the deck, then disappeared into the water again.

"People think I've been on the grog, but I've not touched the Buckfast in weeks, I swear. I'm absolutely devastated.

"Now I'm telling my story because I want other people who've gone through the same thing to come forward.

"For some reason the police have not been happy with my version of events. I think they believe I bumped her off.

SUNDAY SPORT EXCLUSIVE

Binman

"But I'd never do that. Hannah was my life, apart from when she had that affair with the milkman. Or that time with the binman. But we worked through all that.

"The thought that she spent her final moments being gnarled up inside a mythical creature is almost too much to bear.

"It also says a lot about the state of our waterways in this country. I'm actually starting to think Greta Thunberg might have a point after all."

Tom has dismissed suggestions he killed his wife and tried to cover up the murder with an outlandish tale about prehistoric monsters.

A police source laughed: "We've heard some pretty tall tales from anglers over the years, but this one is arguably the best yet."

SCREW YEAR'S RESOLUTIONS!

These girls know EXACTLY what they want for 2020

By BARNEY SAMUELS
news@sundaysport.co.uk

IT'S the time of year when you realise you're still the same fat, lazy slob you were 12 months ago and decide to deal with it.

So you'll join a gym, give up the drink or learn how to play the bassoon.

Yet in a few weeks you'll remember that the reason nothing ever changes is because you are a fat, lazy slob and nothing you can ever do will change that.

Happiness

Just spare yourself the misery and give up before you begin.

Embrace who you are and realise that acceptance is the secret to happiness.

Crack open the scotch, order a Chinese and watch the telly all weekend.

These girls, on the other hand, have got some more realistic resolutions to be getting on with in 2020.

And knowing how sex mad they are – they're more than likely to stick to them!

BETH HUMPHREYS, AGE 25, 30E-23-34 FROM ROCHDALE

"IN 2020 I want to try my hand at proper full-on lesbianism.

Obviously I've snogged girls and had a bit of a grope and fingering in the past but I have never just gone all out with a woman.

So this year I really want there to be me and another girl going at it in the bedroom.

I want her to be a proper lesbian as well, one who's really experienced and tells me exactly what to do.

I want her to take control and I'll just be at her mercy.

Even just talking about it is getting me wet.

I promise that by the end of the year I will have been naked in bed with a real lesbian and have her lick me out until I orgasm all over her face."

OLIVIA BERZINC AGE 26, 36F-24-34 FROM BURTON-ON-TRENT, STAFFS

"THIS year I am going to do anal sex!

Everyone thinks that because I am a glamour girl I must be mad for bum fun, but the truth is I have never done it.

I have let my fella put a finger up there, and in the last few months I've stuck a small butt plug in while we are having sex, which was amazing.

So now I've decided the time has finally come to finally lose my anal virginity and even though I'm quite nervous at the prospect of a stiff penis going my back passage, I'm looking forward to it.

I think the biggest turn on is how naughty it is. It's something only really dirty girls do and deep down the thought of being a dirty girl turns me on. So my lucky fella is going to be getting his brown wings in 2020 – and I can't wait!"

KRYSTAL WEBB AGE 30, 30G-24-32 FROM BIRMINGHAM

"IN 2020 I am going to explore role-playing.

I don't mean like Dungeons and Dragons but sex games. It's all about making my fantasies become reality.

I have this one where I'm a posh girl who rides horses so I'm dressed up in jodhpurs and boots and have a riding crop in my hand. When I get back from my ride and hand my horse over to the stable boy he tells me I have a nice arse and I lose it.

I take my riding crop and whip him until he's begging for mercy and then when he's putty in my hands I stand over him, drop my jodhpurs and sit on his face.

All the time he's licking me to orgasm I am tell him in a posh accent how much of a lowlife scumbag he is and that I am out of his league and he's nothing but a filthy pervert.

When at last I orgasm I walk out and say nothing.

I haven't got horses or a stable but riding crops and jodhpurs are for sale on Amazon so we can definitely roleplay the scenario. I'm itching to do it!"

THAT'S NO SMALL AMOUNT!

Giant Toblerone that killed dwarf Jamie Oliver raises £343 for charity

TRAGEDY: How we broke sad news and *(pictured)* Alfie with his killer choc bar

By BARNEY SAMUELS
news@sundaysport.co.uk

A GIANT Toblerone bar that crushed a Jamie Oliver sex dwarf to death has been sold to raise money for charity.

Alfie Regis, 43, was tragically killed last month when the 10lb choc bar was thrown from a mezzanine onto a dancefloor during a fundraiser for the UK Restricted Growth Tribute and Lookalike Society (UKRGTLS).

Alfie starred in films such as *Pukka Puckered Bumholes*. His death was ruled an accident but UKRGTLS members decreed some good should come from his passing by auctioning off the killer Toblerone.

In an online auction, the huge Swiss bar was won with a massive £343 bid.

Yearsley Prenderson, chair of the UKRGTLS, said: "Alfie was about two things – hardcore porn and raising money for charity.

"We decided to honour his death by auctioning off the Toblerone that killed him. We're so happy that this will go to help lookalike dwarfs who are on their uppers."

10 things you might not know about NEW YEAR

HAPPY New year, folks.

It's at this time of year that we turn our backs on the revelling and merrymaking of Christmas and look forward to week after bone-chilling week of freezing rain, sleet, snow, ice and the sullen realisation we have already spent the month's wages.

But why do we mark the New Year and how do the foreigners do it?

Here are some facts you may not know…

1 **THE earliest known New Year celebrations were in Mesopotamia and date back to 2000 BC.**

2 IN ancient Persia, they didn't make New Year resolutions, they simpy gave each other eggs.

3 **THE early Romans used March 1 as New Year's Day. Other cultures used the autumn equinox or the winter solstice to mark the New Year.**

4 IN 1582, the Gregorian calendar, which marks January 1 as the New Year, is adopted by the Roman Catholic Church.

5 **JANUARY is named after Janus, the god with two faces – one looking forward and the other looking backward.**

6 THE ancient Hawaiian New Year was four months long, war was forbidden, people stopped working, and folk spent time dancing, feasting and having a good time.

7 **THE traditional New Year song *Auld Lang Syne* – that nobody knows the words to – was written by Scottish poet Robert Burns (*top*) in 1788. The words "auld lang syne" mean "times gone by" in the ancient language of "gibberish".**

8 UNTIL 2006, the Space Shuttle never flew on New Year's Day – or Eve – because its computers couldn't handle a year rollover.

9 **ON New Year's Eve, residents in a small neighbourhood in Johannesburg, South Africa, collect old appliances, carry them up to apartment building rooftops and toss them down to the streets below. It's a really good place to avoid on New Year's Eve.**

10 IN Thailand, they celebrate their traditional New Year's Day with a state sponsored multiple day water fight.

BIT OF BLUE: Busty blonde gets 'em out

The best flashes of the festive season

By SUZIE SHELDON
news@sundaysport.co.uk

HOW was it for you?

We're in that strange, bewildered time of year between the merrymaking of Christmas and the revels of New Year's Eve.

And if the dawn of 2020 is anything like the Yuletide celebrations, we're in for a VERY happy New Year.

Evidence

Because experts have found that 2019 was the BUSTIEST Christmas ever – and the evidence is all over social media.

Top of the tit parade was glamour babe Tess Fowler, who flashed her 34FF busters while enjoying a bottle of Bud.

And she wasn't alone.

Today we showcase the best of the festive flashes…

THE BREAST GIFT OF ALL: Hot brunettes flash the flesh

LICKING GOOD: Girlie pals let their hair down

BLOWING THE COBWEBS AWAY: One couple get hot 'n' horny in the club

Knives are out for hubby with animal sex vids

A DELIVERY driver ruined Christmas for one man when he wrongly gave him a stash of ANIMAL PORN instead of a set of kitchen knives.

Barry Worthington, 60, planned to give the cutlery to his wife, Beryl, as a Christmas present and was thrilled when a parcel was delivered to his home in Biddulph, Staffs, on Christmas Eve.

Barry told *Sunday Sport*: "I opened the parcel and can you imagine my surprise when it was a load of ruddy animal filth?!

"Cat bumming, horse wanking, pig oral and even reverse stoat. I was horrified!

"I stuffed the animal porn at the bottom of the wardrobe and had to run out to Aldi to get some pans for Beryl.

"It wasn't the same, and I could tell she was disappointed."

But there was worse to come as Beryl found the wrong-delivered stash of beast porn in Barry's wardrobe on Boxing Day… and called the police.

He said: "I tried to explain the delivery mix up and that it was not my animal porn… I know it looks bad."

Barry, who is now not allowed within 100 yards of any animals, will appear in court next month.

Sky high teenager goes plane crazy

A NAKED teenager was arrested in France's Orly airport after trying to pilot a plane to Morocco while high on LSD.

The Moroccan illegal immigrant was found in the cockpit of an Airbus A321 while high on the hallucinogenic drug.

According to reports, the lad was nude and staring at the aircraft's controls while babbling in a "foreign language".

He has been charged with attempting to fraudulently evade an Airbus A321 plane to the detriment of the airline company.

The 17-year-old's mental health is said to have been "deteriorating" since his arrest.

A police report said: "He stays naked in his cell other than a blanket, goes to the toilet on the floor and paints the walls of the cell with his own faeces."

FELINE POORLY

INQUISITIVE Archie Snaith, five, of Reading, Berks, operated on his pet cat using a junior doctor's kit he was given for Christmas. Sadly, the cat died.

MEG'S X-RATED GIFT …FROM HER BROTHER!

SAUCY POST: Meg poses topless online (*above*), with *Love Island* fella Wes (*right*) and her X-rated gift (*far right*)

By PENNY MARSHALL news@sundaysport.co.uk

***LOVE Island* babe Megan Barton Hanson was given an X-rated gift apparently from her own BROTHER this Christmas.**

The blonde rose to fame on the hit dating show last year and became an ambassador for Ann Summers in order to help women have better orgasms.

Taking to her Instagram feed, the now deleted post by the 25-year-old showed a snap of a pink box which read: "Clitoris Allsorts. Find your sweet spot."

The packaging also detailed how inside it contained "naughty but nice" clitoris-themed sweets, that are "fun filled finger food".

Featuring a cheeky image of two fingers up, Megan giggled in the background as she took a video of the product.

Licking

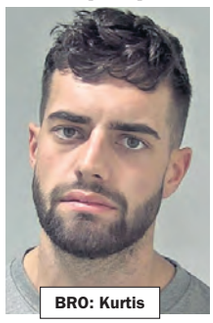
She then went on to show the label that came with the present, which read: "To Megan, my beautiful famous fanny licking sister.

"Love you so much, Merry Christmas. From Kurtis," followed by a smiley face.

Her brother Kurtis dodged jail in July after a drug-fuelled rampage in a hotel.

A court heard Kurtis was high on ketamine and cocaine when he smashed up the Fownes Hotel in Worcester in November last year.

Kurtis, 23, shot holes in the wall of his room with a BB gun before smashing up crockery and answering the door to housekeeping nude, a court heard.



BRO: Kurtis

The court was told he was high on ketamine and cocaine when he smashed up the hotel, and later tested positive for both substances.

Prosecutor Amy Jackson told Worcester Crown Court that Barton Hanson, of Southend-on-Sea, Essex, was in the city visiting a friend.

Man's cock turns black after lover bites his tip

A MAN'S penis turned partly BLACK after he was bitten on the end of it by his lover during sex.

And the unnamed 43-year-old, from Arizona, didn't seek help until FIVE days after the injury.

Medics at University of Arizona College of Medicine in Phoenix noted how there was 3cm of black tissue on the end of the man's cock.

It became necrotic – meaning cells and tissues had died – which can happen through infection or traumatic injury, such as a bite.

Dr Marc Zosky, author of a report published in the *Visual Journal of Emergency Medicine*, wrote: "Patients bitten on the penis often do not seek immediate medical care, and the disease progresses.

"Progression to skin ulceration and infection is common and requires careful wound care and antibiotic therapy.

"In rare cases, bites can lead to life-threatening infections such as Fournier's gangrene that require emergency surgical treatment."

I'M going to donate my body to science, and keep my Dad happy – he always wanted me to go to medical school.

DEANO ON SUNDAY

Please let 2020 be the year of common sense

THE year ends as it began – with f**king nutters taking over the world.

There was a report in the papers last week that suggested Easyjet are to stop using the phrase 'ladies and gentlemen' after one Twitter complaint. Yes. ONE.

Easyjet, the company that broke all the rules and redefined air travel, caving in thanks to one gripe from the so-called 'trans' community.

According to reports – and I have no idea if this is actually true, but it sounds typical of modern times – the budget airline will use the greeting 'welcome everyone' to make their organisation more "inclusive".

The move was sparked by a tweet back in the summer by trans university lecturer Dr Andi Fugard.

Dr Fugard wrote: "Dear @*easyjet*, are you in some kind of competition to see how many

times you can reinforce gender binaries? 'Ladies and gentlemen, boys and girls', perfume strictly segregated again by 'ladies and gentlemen'. Ditch sir/madam too. An organisation as huge as yours must do better."

The correct response would be: "Dear Dr Fugard. Thank you for your petty complaint. It has been considered and thrown into the wastebin. In future, please f**k off to Ryanair."

I mean, really? "Gender binaries"?

A few years ago, we'd never heard of this drivel. There were men, women and a few people who have had or are awaiting sex changes.

Now, we are told, there's no such thing as men and women and a multitude of exciting new genders and identities are available.

No wonder young people are so confused and unhappy they're carving each other up.

Let us offer up a little prayer to the Almighty that 2020 might be the year when this whole 'trans' issue burns itself out.

I'm not talking about consigning people who genuinely believe they're born in the wrong body to live unhappy and persecuted lives.

Nobody wants that and, besides, whatever the Left may claim, bigotry is not the British Way.

But let's hope the wings of the new bigots, the so-called "woke" generation" who take offence at everything and responsibility for nothing, get their wings clipped.

We don't need politically-correct nonsense as Britain emerges into the world a free nation – we need something that's been missing for too long: common sense.

HUBBY WHO SHAGGED TURKEY DROPS DEAD PULLING CRACKER

FOWL PLAY: Now Alan's bird banging days are over

Heartbreak for wife who forgave poultry bonker TWICE

In summer, Glenda caught hubby Alan shagging the Sunday roast. Now...
ON XMAS EVE I CAUGHT HIM HANGING OUT THE BACK OF THE BLOODY TURKEY!

ROASTING: How we broke both bizarre stories of Alan's antics

AFTER forgiving her wayward husband for shagging a Sunday roast AND a Christmas turkey, Glenda Baker was named the Most Forgiving Woman in Britain.

By BRAD CHADWICK
news@sundaysport.co.uk

Now she's got a new title – Most Forgiving WIDOW in Britain.

Because last week, as the couple celebrated the birth of Little Baby Jesus, Glenda's food-fornicating husband, Alan, suffered a heart attack while pulling a Christmas cracker.

He was dead before his face splatted in the sprouts and gravy.

Last night devastated Glenda said: "Our Alan was a dirty bastard – but he was my dirty bastard.

"We tried so hard to make it as a couple after he shagged that chicken and the Christmas turkey and I really think we'd turned a corner.

"We was looking forward to us old age together and now he's dead.

"Still, he died doing what he loved – he loved pulling crackers did our Alan."

Warped

It was back in August 2017 when we first reported how playground supervisor Glenda caught her husband hanging out the back of a chicken that was planned for Sunday lunch.

Six months later Glenda caught Alan violating poultry again – only this time the object of his warped lust was the Christmas turkey.

Speaking at the time from the couple's home in Crewe, Cheshire, and struggling to hold back tears, Glenda told *Sunday Sport*: "After that business with the chicken, our Alan promised me he'd never shag a bird again.

"More fool me, I believed the dirty bastard.

"For a few months our marriage seemed back on track, but at 3am on Christmas morning I heard noises downstairs.

"What did I find? Alan, with his pyjamas down, giving the turkey one."

Alan was thrown out on the streets, but kind-hearted Glenda took him back after finding him rooting through bins.

She said: "Even after all he'd done, I still loved him and seeing our Alan rifling through bins and eating dirty bits of old pizza, it melted my heart.

"That heart is broken. Christmas will never be the same again."

Villagers' life or death battle with polar bears

HOUSEHOLDERS fired guns and flares into the night when their village was surrounded by 80 hungry polar bears!

The huge ursines – the largest land predator – started moving in on the village of Ryrkaypiy in Chukotka region of Russia.

The bears were attracted by the smell of food, which they need to scoff huge amounts of before hibernating.

But there were fears the bears may start eating the 766 residents, so volunteers are guarding the village.

Local ranger Maksim Deminov said: "We're scaring bears away from the outskirts of the village but once you turn away, the bears come back."

air baby *n.* A *Bakewell tart* that takes a great deal of effort to deliver and of which one feels enormously proud. "What's that appalling whiff?" "Ah, that would be my brand new air baby. It's a beauty, isn't it? Anyway, you may call your next witness.

bottom line 1. *n.* The final total of an account. 2. n. The arse crack.

brown glow *n.* That lovely feeling of wellbeing after enjoying a nice big shit. "You do look well, Gran. You've got that lovely brown glow about you."

captain's helmet *n.* A *Thora Hird* so long that it hits the sump while still having half an inch poking out above the Plimsoll line, like the Titanic gaffer's titfer after he drove it into that iceberg.

chronically understaffed 1. *adj.* Descriptive of insurance company call centres, NHS hospitals and – these days – the Chuckle Brothers. 2. *n* Descriptive of the state of having a diminutive chopper.

Cleopatra's barge *n.* A stately, lavatorial vessel of considerable length that appears unbreakable. However, once broken up, Cleopatra's barge can easily be floated out to sea.

c* conkers** *n.* Love eggs up a girl's *Ho Chi Minge.* "I stopped off at a sex shop on the A1 and got you some c*** conkers for your birthday, nan."

death star *n.* An especially malodorous ringpiece.

doggee *n.* A person who altruistically transacts their romantic assignations, often in a sylvan setting, for the amusement and pleasure of passers-by. And gets spunked on by them all.

durashit *n.* Faecal matter of such stickiness and viscosity that it can adhere to porcelain despite multiple flushes and applications of bleach.

farty time *n.* The moment in a new relationship when it seems acceptable to drop your guts. "Oops, sorry Meghan." "Don't worry, Harry. It's well past farty time."

greggstatic *adj.* The state of euphoria reached by a big-boned person upon breathlessly reaching the front of the queue in a high street pie shop.

hashtag 1. *n.* Symbol used on the internet, found on the keyboard by calling out: "Oi, luv, how do you get a f***ing hashtag again?" 2. *n.* A large *winnit* consisting of four arse hairs crossed and attached in the familiar manner.

humidititty *n.* Sweat under the boobs.

milk maid *n.* A grumble flick actress who is there with an obliging hand for her fellow thespians.

pan au chocolat *n.* Fr. An unhealthily full bog.

peanus butter *n.* Thick, white, salty cream somewhat disingenuously enjoyed by the mucky ladies in jazz magazines.

short measure *n.* The difference between the seven units of alcohol you tell your doctor that you consume each week and the vast amount you actually put away.

smack Tardis n. A public telephone box, principally used for the purpose of calling heroin dealers in order to expedite multi-dimensional journeys through time and space.

Star Wars waiting room *euph.* A local hostelry frequented by all manner of disreputable-looking lifeforms.

wankquiliser *n.* One of them *sleeping pulls* a gentleman essays not because he is bursting with sexual energy but because he can't nod off, and at least it might give him a brief respite from worrying about his shitty job.

Golem star Maria says docs should promote sex

ACTRESS Maria Valverde has opened up on her sex life during a TV appearance.

According to the star of the new movie *Arana*, sex is good for the immune system.

She told the audience during an appearance on *La Resistencia* for Spanish TV station Movistar: "I don't f**k as much as I'd like, but I masturbate quite a lot.

"Do you know why? When you have sex or masturbate, you create a hormone called oxytocin, which makes you want to have more sex.

"It's very good for the immune system, so, doctors should recommend having more sex."

Maria (*above*), 32, appeared in the 2017 British movie *The Limehouse Golem* alongside Bill Nighy.

She has also starred in Ridley Scott films *Cracks* and *Exodus: Gods and Kings* with Christian Bale and Ben Kingsley.

BILLIONAIRE PAYS PEOPLE £10k TO W*NK OVER HIS HOMEMADE PORN VIDEO

BOB ON JOB: Atkins in porn vid with his cousin Gillian

SOME billionaires have used their money to develop space programmes, others to wipe out malaria and save lives.

Bobby Atkins has used his vast reserves of cash to make his own sex video and pay people to watch it!

Atkins, 37, made his fortune during the boom for fidget spinners in 2017, raking in more than £2billion from the craze.

Finger

He has since been using his cash to try and fulfil his sexual fantasies – from offering to rim Melanie Sykes for money to saying he'd give Matt and Luke Goss a million for a threesome.

Now he's made his own porno film and is paying people £5,0000 to watch it – while he watches them watch it.

The tycoon said: " I want to look in your eyes as you're watching me have sex, I want to see you see it going in.

SUNDAY SPORT EXCLUSIVE
By SIMON DEAN

And I'll pay good money to do it – £5K unless you have a wank or a finger, if you're a girl, then it's double.

"It's a really good deal. This is no normal home-made porn film. I hired the best director in Turkmenistan so it's got really good production values.

"And the girl in it is my cousin Gillian, so it's a bit kinky too.

"The video cost £335,000 to make. We created a set that made it look like it was a cheapo home-made job but it's actually in the studio I built.

"I've also built a special watching booth so people can see the video in complete privacy. Well private apart from me staring at you as you watch."

Atkins now says he will create more X-Rated flicks and is considering buying Channel 5 so he can broadcast them to the whole country.

He said: "If not that, maybe Dave."

TERROR OF MUTANT ATOMIC PIGS

A GOVERNMENT has been asked to pay for an all-out assault on RADIOACTIVE wild boar threatening the countryside.

The beasts in areas around Stockholm, Sweden, still have high levels of radioactivity as a result of fallout from the Chernobyl nuclear disaster in 1986.

The animals absorb radioactivity from roots in the ground, and some individuals contain extremely high levels of the invisible death rays.

Some hunters have reported that they've even seen the wild pigs GLOWING in the dark.

Aggresive

Now the Swedish Food Agency, which is responsible for boar numbers, has asked their government for help to cull the monstrous porkers.

Wild boar, which are armed with razor sharp tusks, can kill humans and are aggressive when disturbed.

It's feared that the radioactivity may turn them into mutant fire-breathing super pigs, growing up to 100 feet tall with X-ray eyes.

Arja Helena Kautto, project manager at the Swedish Food Agency, said: "If all proposals were launched with government subsidies, there would a benefit for society."

DEAD PEOPLE

ASHE was a national institution for so many years behind the bar at the Rovers Return on *Coronation Street*.

BIT Ain't Half Sad, Mum, that this larger-than-life Welsh comedy star of sitcoms like *Never the Twain* passed away this year.

CSHE was the sugar-sweet Hollywood star of many a romantic comedy and big screen musical, with Groucho Marx famously saying he knew her "before she was a virgin".

DEVERYONE feared this Formula 1 legend would die from the horrific burn injuries he suffered in a crash in the German Grand Prix in 1976, but he miraculously survived. He died this year aged 70.

EHE was the mainstay of Channel 4's racing coverage for many years and this flamboyant character had memorable stints on *Big Brother* and *I'm a Celeb*. He died in July aged 79

FTHIS Easy Rider rode off into the sunset after years as a star of one of the great Hollywood movie dynasties that include dad Henry and sister Jane.

GHE founded the iconic rock band Cream in the 1960s with Eric Clapton and Jack Bruce and was widely regarded as the greatest rock drummer ever. Had a bit of a temper on him, mind.

HLATE in the year, news that this famous TV chef and restaurant owner had died after suffering a brain injury at his home in Dubai stunned viewers.

Miss thought sex with lad, 15, was legal

A TEACHER who made a sex tape with an underage student told police she believed no laws had been broken.

Desiree Rodriguez, (*above*) 27, who agreed to let the 15-year-old boy film them romping, told cops she knew all about the video and "didn't mind", insisting she and the teenager were "in love".

The English teacher faces two charges of lewd and lascivious assault on a child and has been sacked.

The relationship began in August, cops said. The boy would stay in her classroom during lunch hour and after school.

They initially began just kissing before they had sex at her home.

Rodriguez and the boy also romped in her car. A cop spokesman said: "I'm not going to go into details, but I can tell you it's graphic and explicit, and we'll leave it at that.

Rodriguez is being held in custody in Doral, Florida.

BY CHRIST, it's b-b-b-b-loody f-f-f-f-reezing out there!

Normally, that means women are all wrapped up in big coats, hats and boots – so you don't even get a hint of tit from them.

But thankfully, some girls embrace the cold and even strip off when the temperature drops.

We've collected some of the hottest cold weather boobs-out babes pictures ever taken.

Whether they be glamour babes or amateur beauties, these stunnas all deserve praise for being bloody gorgeous and willing to brave the weather.

Nickie-Ann, from Blackpool, said: "I love getting my boobs out in the cold!

"At first I was pretty nervous, but actually it's a really good feeling. The cold gets your nipples standing to attention.

"I've never been more aware of my boobs than when I've got them out in the cold and snow!"

Sophie's streak treat – if Reds win title

By JAYNE FERGUSON
news@sundaysport.co.uk

LIVERPOOL fan Sophie Howard reckons her team are dead certs to capture the Premier League title this year.

And if Jurgen Klopp's runaway leaders do win, she says she will run NAKED down her native Southport's main high street to celebrate!

The 32-year-old 34G beauty said: "I've been waiting all my life to see Liverpool lift the trophy.

"When Brendan Rodgers nearly did it a few years ago, I said I'd streak down Lord Street if they did.

"So I've got to fulfil my promise in May – I just hope I don't get arrested!"

My perfect New Year...

Zafira Klass, 29, 34D, from Manchester

SUSSIES AND SEX A KLASS DOUBLE ACT!

MY perfect New Year's Eve starts off with a nice relaxing bath before I get ready to go out.

I'll throw a bathbomb in there, so I am all relaxed and chilled out – and I'll spend up to an hour in there!

By JAYNE FERGUSON
news@sundaysport.co.uk

Then I dry off before starting to dress up for my big night out.

New Year's Eve means I get to wear a nice dress, so I always start with some really nice sexy lingerie from Agent Provocateur.

There is always stockings and suspenders!

When I'm finally ready, my man picks me up and we head out to a really fancy hotel for our celebration.

And on the stroke of midnight we sneak off into the toilets so he can hitch up my frock, pull down my knickers and we can have our first shag of 2020!

LEGENDS OF PORN

REAR-LY FILTHY: Madison wants to do more anal

PART 88 MADISON IVY

By PENNY MARSHALL
news@sundaysport.co.uk

STUNNING Madison Ivy made her porn debut aged just 18 when she starred in *Cum Fiesta*.

And she hasn't looked back since!

The busty brunette went on to enjoy a stellar career in movies like *Just Fucked Daddy's Best Friend, Cum Stained Casting Couch 12, Don't Tell My Daddy You Fucked My Big Titties* and *Big Cocks Required*.

But the 30-year-old had to put professional shagging on hold for two years when a car crash left her with a broken back.

Thankfully, she made her comeback in 2018 and loved the work as much as ever.

Naked

She said: "Honestly, I never wanted to leave. I just always felt at home naked, in front of the camera, with a dick in my mouth.

"And I missed having cum in my eye."

Now the 32DD beauty has plans for the scenes she really wants to perform in.

She said: "I would like to get my second anal done – that would be great.

"And maybe an interracial scene.

"I have none of those out there – it's high time."

PUB TALK

THE pub is a great place to meet old mates, relax and have a laugh over a couple of drinks.

Each week in *Sunday Sport* our reporters visit a British boozer and ask babes to spill the beans on their sex lives!

Here we get the lowdown from a pair of saucy stunnas from Bristol...

HANNAH BYRON
AGE: 22

FAVE FOOD: Indian
FAVE FILM: *American Psycho*

FAVE HOLIDAY: Morocco

FAVE FILM: All Star Wars films

FAVE HOLIDAY: Dominican Republic

BUM FUN

HANNAH: I've tried to avoid bum sex up till the time I got a bit drunk one afternoon and suggested to my boyfriend at the time that we try it. Now I love it, especially if I use a vibrator on my clit at the same time. The orgasms are really mind-blowing!
CYN: I haven't tried it yet but you've made me think I've been missing out. I've had a finger or two up there, mind. That was quite horny, I must admit.

DRESSING UP

CYN: Have you ever dressed up for sex?
HANNAH: Hasn't everybody? Yes, I wore a policewoman outfit once and it was the most fun I've ever had. I'd been to a fancy dress party but I left early as I was feeling horny and I urgently wanted to go and f**k my boyfriend's brains out.
CYN: What did you do?
HANNAH: I dominated him for a while and then we had sex for three hours in every position possible.
CYN: I dressed as a schoolgirl for my last boyfriend because it was his fantasy.
HANNAH: What did it feel like?
CYN: It felt naughty and it turned my fella on. I thoroughly enjoyed it and we shagged five times that night.

FAVOURITE POSITION

HANNAH: How do you like your shagging?
CYN: I love it rough. It's so much more exciting if he's throwing you about a bit. I like being on top because then I can be as cock-breakingly rough as I want.
HANNAH: I usually prefer having sex slowly because it's more romantic and it lasts longer as well. When you do it for longer it seems more satisfying, too.
CYN: What position is your favourite?
HANNAH: I like missionary, it always seems to hit the right spots.

WORST-EVER SEX

CYN: I once had awful sex when I was drunk. My boyfriend was drunk as well and he could hardly get it in, let alone do anything with it when it was in.
HANNAH: Was it the worst shag you've ever had?
CYN: Easily. I've always tried to avoid having drunken sex since that experience.
HANNAH: My first time was the worst. It was over far too quickly. Every time since then has been better than that.

FIRST-TIME SEX

CYN: Where did you do it first?
HANNAH: It was with my first boyfriend and we did it in a bed at my friend's house party. We were young but it wasn't his first time and he managed to convince me it was a good idea.
CYN: How long did he last?
HANNAH: About 10 minutes. I was gutted because I expected it to go on for hours.
CYN: My first time was pretty average. I was 17 and did it with my first boyfriend at his house. It didn't last long but it was as good as it could be.
HANNAH: What do you mean?
CYN: I was so nervous it was never going to be amazing and we were both pretty clueless. It was OK given all that.

WILLY SIZE

HANNAH: My current boyfriend has got the biggest willy I've ever had, it's about eight inches and fat as well.
CYN: Does it feel good?
HANNAH: Yes, it's the best I've had. The width doesn't seem to do much but the length means it can reach spots that have never been reached before.
CYN: My last boyfriend had a good length, you can definitely notice a big difference when the willy is big.
HANNAH: Was it your biggest?
CYN: Yes, and the sex was miles better. The size of the willy makes a big difference to how good the sex is, no doubt about it.

> "I dressed up as a policewoman...I felt so horny, I wanted to f**k his brains out!"

OH-NO MOMENT

HANNAH: Anything embarrassing happened to you during sex?
CYN: Yes, I was with my boyfriend at my friend's house one night when my friend's parents walked in and caught us.
HANNAH: What did they do?
CYN: They told us it was time to leave and needless to say I haven't been back there.
HANNAH: My boyfriend's mum caught us having sex once. Luckily the bedroom door was locked but she was banging away shouting, 'What's going on in there'. When we opened the door we were dishevelled and with the noises I was making it was all too obvious what we'd been up to.

STRANGEST PLACE

HANNAH: I did it in the park with my boyfriend once. We were drunk and we were passing by so it seemed silly not to. It was so exciting knowing we might get caught doing it. No-one saw us, I think.
CYN: The best place I've done it was behind a farmhouse in the middle of the night. It was fun. I want more experiences like that.

FAKING IT

HANNAH: How often do you fake it?
CYN: Just now and again, but I think every girl does. It's the kindest thing to do so that your bloke doesn't get offended.
HANNAH: I tend to fake it when I'm not in the mood to have sex but my man is. It gets it over with more quickly.

ONE-NIGHT STANDS

CYN: How many one-night stands have you had?
HANNAH: One, it was with the friend of a friend but I regretted it after it had happened. We were drunk and it only lasted a couple of minutes. I'd never have another because they're pointless. I prefer sex in a relationship because it's meaningful.
CYN: I've had two. One was good but the other was awful. We were so drunk. The good one was good because he was an older man and was good in bed.

LESBO LOVING

CYN: I've snogged a few of my girlfriends. I like it, it's soft and there's no stubble.
HANNAH: Would you go all the way with a girl?
CYN: Never say never but I've no plans at the moment. She'd have to be an Daisy Ridley lookalike for me to get intimate.
HANNAH: I've never even snogged a girl. I'm only into men at the moment.

KINKY SEX

HANNAH: I've not tried bondage or any of that 50 Shades stuff. I'd try blindfolds but nothing more than that because I don't think pain would be a turn-on.
CYN: I'd recommend handcuff. Everything seemed far more sensual.
HANNAH: Would you take things further than that?
CYN: I think the most I'd do would be a bit of spanking. Maybe one day I'll take things further than that.

SEX TOYS

HANNAH: What sex toys have you got?
CYN: I've got a big pink sparkly vibrator. I've only had it a few weeks and haven't used it much yet. It's quite good but takes a bit of getting used to.
HANNAH: I can barely remember a time when I didn't have a vibrator. I use it a lot during sex, of course, and if I'm alone and need to get to sleep. Works a treat!

NEW YEAR'S DAY

BBC2, 2.15am, *The Limehouse Golem*

TOMORROW

NEW YEAR'S EVE

NEW YEAR'S DAY

Dracula – BBC1, 9pm

NEW series. In 1897, English lawyer Jonathan Harker travels to Transylvania to meet a new client, Count Dracula.

Harker finds himself trapped in the ancient, terrifying castle, and it soon becomes clear that the Count himself is not living at all.

Steven Moffat and Mark Gatiss's adaptation of Bram Stoker's classic, starring Claes Bang, John Heffernan and Dolly Wells.

Continues Thursday and Friday.

Shaun the Sheep Movie – BBC1, 9.30pm

FEELING delicate on New Year's Day? This will sort you out.

The lovable lamb's plans for a fun day off turn into something far more exciting when he's forced to take a trip to the big city to save the farmer, who has lost his memory.

Can Shaun and his friends return home safely following their adventure?

Animation, featuring the voices of Justin Fletcher, John Sparkes and Omid Djalili.

And if you don't feel better after this, try whisky.

OF THE TELLY

By BARNEY SAMUELS

War thriller hits mark

The Heroes of Telemark – BBC2, 2.55pm

GERMAN scientists in occupied Norway during the Second World War begin work on the manufacture of vital components for an atomic bomb, prompting the Norwegian resistance to team up with British forces on a campaign of sabotage to halt production.

Second World War thriller, starring Kirk Douglas, Richard Harris, Anton Diffring, Roy Dotrice and Ulla Jacobsson.

One of the best war films.

Dame Edna Rules the Waves – BBC1, 9.05pm

BARRY Humphries's comic alter ego follows this year's farewell tour with a star-studded New Year special, filmed in front of a studio audience. Guests dropping by to ring in 2020 include Sharon Osbourne, Rob Rinder and Emily Atack, while Nile Rodgers and Chic will be providing the music.

The show also features a trip aboard Dame Edna's luxury yacht, under the command of captain Rudolph Walker, with the help of onboard chef Rick Stein, eco-warrior Anita Rani and *Strictly Come Dancing's* Joe Sugg.

Jools's Annual Hootenanny – BBC2, 11.15pm

YAY! It's the end-of-year "Who the f**k is that" parade as the Squeeze pianist introduces turns from the wilder shores of music.

This year's acts include Alabama Shakes' Brittany Howard, who provides a taste of her first solo album, and – as it's the f**king BBC – "Stormzy", who will probably bang on about what a bad man Boris is. Let's hope for a Stormzy-free 2020.

Also on the bill are Tom Walker, YolanDa Brown, Melanie, La Roux, Eddi Reader, Pauline Black and Arthur 'Gaps' Hendrickson from ska band the Selecter, Joseph, and *Hootenanny* mainstay Ruby Turner, as well as the customary midnight appearance by the Pipes and Drums of the 1st Battalion Scots Guards to ring in 2020.

THURSDAY

The Big Fat Quiz of the Decade – C4, 9pm

JIMMY Carr presents this super-sized edition of the annual quiz, looking back over the past 10 years.

Claudia Winkleman, Nish Kumar (the unfunny one from *The Mash Report*) Joe Lycett, Alan Carr, Stacey Solomon and Jonathan Ross battle it out to prove who can remember the most about the decade, with questions including why was lasagna big news in 2013?

Who squeezed through a hole in the wall in 2015?

And what are Pikachu's friends called?

Big Fat regulars Jon Snow and Charles Dance help set the questions.

The Great Christmas Clean-Up: Grime & Punishment – C5, 8pm

FOLLOWING the hidden army tasked with clearing up the extraordinary seasonal mess, as Britain is snowed under an avalanche of yuletide waste – including discarded trees and presents and more than 100 million black bin bags.

Working in their teams across the country, enforcement officers in Walsall chase down a Christmas Day flytipper, while a festive fatberg leaves sewage busters in London with a foul mess on their hands.

However much you don't feel like going back to work on Monday, you'll be grateful for your job after watching this.

DON'T MISS THIS!!!

In Search of Dracula with Mark Gatiss – Friday, BBC2, 10.35pm

MARK Gatiss explores and celebrates the icon of popular culture. He begins at Orava Castle in Slovakia, as used in the classic vampire film *Nosferatu*, then heads to the London Library on the trail of Bram Stoker's newly discovered research literature.

In Philadelphia, he studies Stoker's hand-written notes and examines the abandoned ideas, plotlines and characters that went on to become this world-famous story.

Mark also meets with actors, experts and historians as he explores the Count's transition from page to screen – and even manages to reunite seven Hammer brides.

Steph can't bare not being naked!

By WENDY THOMAS
news@sundaysport.co.uk

STUNNING Steph Knight is fed up of the cold weather because she has to walk her pet chihuahua in the rain – which means putting loads of clothes on.

The 32E babe, from Derby, hates wearing clothes and would rather spend all her time naked.

But the 26-year-old's three-year-old dog Jemima needs her exercise no matter what the weather.

Steph said: "In my house I have the heating cranked up to 25 degrees so I can walk round naked.

"I love Jemima, but when she needs to go out I have to layer up – and I hate it!

"I honestly much prefer to wear nothing."

Joker Darelle leaves victims buzzing!

FUN-LOVING Darelle Oliver is a bit of prankster.

Her favourite trick is an electric buzzer that shocks when people shake her hand.

The 23-year-old practical joker bought the device in a shop in Hamburg while on a hen do and loves to surprise people when they first meet her.

By JAYNE FERGUSON

Darelle, 34C, from Welwyn Garden City, Herts, confessed: "People think butter wouldn't melt in my mouth, but I am a real trickster.

"I love my hand buzzer and I've got a whoopee cushion that I use to great effect and fake dog poo that I love leaving around."

EVE'S EARLY NEW YEAR!

By WENDY THOMAS
news@sundaysport.co.uk

SEXY Eve Angel is planning on having her New Year's Eve party early this year.

Because the 36C babe, from Budapest, hates partying on December 31 as all the bars and clubs are packed with too many people.

So Eve, 36, and all her friends will celebrate a night earlier.

Crazy

She said: "I know it sounds crazy but New Year's Eve is supposed to be this big celebration and the best night of the year but it always turns out to be crap.

"You can't get a drink at the bar, you can't get a taxi home, people are drunk and fighting or arguing.

"I've always found it to be a big let-down and I've decided I won't be disappointed again.

"So we're doing it the night before this year and I reckon it's going to be ace!"

THE WORLD FAMOUS AGONY Page

Dear Lexi,

MY fiancée pestered me for months to get married but I refused, because I am having an affair with her mum.

The girlfriend is 22 and the mum is 41 – and she is a cracker. She split with her husband just after my girlfriend was born and she has been on her own ever since.

She has many male friends but says she just wants sex, not a relationship.

We have it in all different positions and she likes licking my manhood after it has been up her chuff.

Her horny mother wants me to marry her daughter – but also wants me to carry on shagging her.

Do you think I can sustain such a relationship?

AP, South Yorks

Lexi says...
NO. This is a recipe for disaster. Dump one or the other – but ideally both.

Dear Lexi,

I AM a builder and have recently been working on some new flats. Every lunch I go for a pie and chips at a nearby chippy.

The girl in there is quite fit and I decided to chance my arm and ask her out. She scrapes her hair back, but I imagined she'd look quite good with it down. She agreed to go out with me and we went to the pub. I was right. She had her blonde hair down and looked fit.

We went back to her flat which she shares with two other girls. I had sex with loads of times and she also gave me a fine blowjob.

The next day I went to the chippy and she led me to the back room. She smiled, unzipped me, dipped her hand in the batter mix and then wanked me off. She has since told me that she and her two flat mates want to shag me. I'm daunted. Any tips?

TM, Lancashire

Lexi says...
THE best thing I can suggest is a jumbo pack of condoms – and a good supply of Viagra!

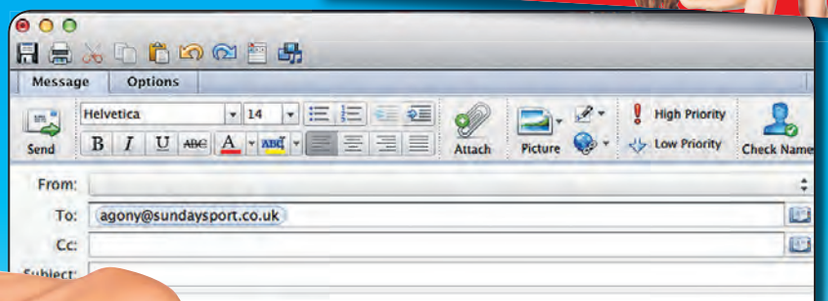
SUNDAY Sport SEXY BACK END!



How do I get hunk's nose out of book and into my fanny?

Dear Lexi,

I'M a 22-year-old single girl and I've got it all – all the latest gadgets and all the latest clothes.

I flick through mags like it's a religion, following the latest trends.

The thing is that I've shagged most of the fellas in the small town where I live and really want some fresh cock.

There's this lad who's moved in to the area and he's a hunk. The trouble is, he always seems to have his nose in what look like clever books.

Knickers

I've never read a book in my life and my reputation has been built on my back. Lads often call round my house for sex. Rather than disappoint them, I drop my knickers and bend over the sofa.

Don't get me wrong, I enjoy it and always orgasm. Sometimes it's like a scene from a porno, especially if my pal is about.

We fondle each other's tits for a while and then finger and lick each other's fannies while the guys watch – beating their meat until they spurt hot spunk over our faces. We take turns to lick and suck their pricks back to full hardness before getting f**ked over and over again.

The other night we were down the pub and I was sucking a lad off under the table when I heard a posh, stuttering voice ask if we could keep the noise down.

I jumped up, bumped my head and knocked over the table and all the drinks on it.

I was faced by the handsome, bookish lad and wanted to say something cool, but, as I started to speak, the sperm I'd got in my mouth started to dribble down my chin.

He looked at me as if I was dirt and walked off. Now when the lads come round to screw me, I've started to go off it, thinking about this other fella.

How can I win him over now?

SD, South Wales

Lexi says…

SOD him, get back to doing what you do best, looking great and getting lots of sex.

Dear Lexi,

I'M a 25 fella, with a gorgeous girlfriend of 30 who is the spitting image of her mother. Me and my girl live with her, and we sleep in separate bedrooms, but we try to have plenty of sex when we can.

She sometimes sneaks in to my room in the dark, blindfolds me and ties my hands to the headboard. She will wake me up by circling her tongue around my knob until it's erect, then sits on my face, her wet pussy on to my tongue. Then she slides on to my cock and rides me.

Recently, I have noticed that the love-juices taste different and I'm sure it's her mum who has been sneaking in first to blindfold me before doing it. Should I ask my girlfriend or not?

TJ, Manchester

Lexi says…

IF you are enjoying it then just play dumb.

Lexi says… ALL THE BEST, READERS!

BJ blow for 32D Rita's fella!

By WENDY THOMAS
wendy@sundaysport.co.uk

LOVELY Rita was furious with her fella at Christmas because none of the clothes he bought her fitted!

Czech babe Rita, 32, from Prague, says she has always had trouble with clothes due to her massive 32D boobs and tiny frame.

Knockers

She said: "How could he not have noticed I have got huge knockers?

"He spent a fortune on some lovely designer clothes but none of them fitted me, so he's missed out on a Christmas blowjob – at least until he gets them changed!"

WITH ALL HIS NEW YEAR BEST BETS

Draw a Firm bet as Hoops face Gers

BAD BOY: Morelos has trouble with refs

IT'S A MASSIVE game at Parkhead today with the third Old Firm game of the season.

Celtic will move eight points clear in the table with a win but the recent League Cup Final between the sides showed there was little – if anything – between the teams at present and I feel it will be a point apiece on Sunday.

The Hoops are 21/20 with BetVictor with Rangers 23/10 and the draw at 5/2.

Alfredo Morelos missed a host of chances at Hampden recently, but the striker is 5/1 to open the scoring and 17/10 to find the back of the Bhoys net at some stage during the 90 minutes.

The title will not be won at Celtic Park, but eight points would be a big gap between the clubs if the hosts keep the points.

Rangers have not conceded in their last three games, but a 1-1 draw is the recommendation at 6s with BetVictor.

In the Premier league and Chelsea, who travel to the Emirates today, have already lost seven league games so far this season – they lost eight last term under Maurizio Sarri – and they were brought back down to earth after their Spurs heroics last weekend by Southampton at the Bridge on Boxing Day.

1-1 THE PICK AT TASTY 6/1

Arsenal had 17 shots at Bournemouth midweek, but they had to settle for a point at the Vitality Stadium.

New Gunners' boss Mikel Arteta will certainly be looking for a better home performance than their last game at the Emirates when they were outclassed by a rampant Manchester City.

Arsenal are yet to win any of their last six home games in all competitions and they are 9/5 with BetVictor to arrest that recent slump with Chelsea 13/10 and the draw at 27/10.

Arteta did not finish outside the top four in the four seasons he wore the Arsenal shirt as a player, but they are 25/1 with BetVictor to make an automatic Champions League spot – Chelsea are 8/11 and 3/1 to finish in the top six.

That is simply not good enough for a club of Arsenal's stature.

Arsenal did show more at the Vitality Stadium on Boxing Day, but this will be a real test with Chelsea looking for a quick double on the road against their north London rivals.

The goals have dried up for Tammy Abraham *(left)* in recent games, but I hope Frank Lampard keeps faith in the young English striker who is 21/20 to find the back of the net at some stage during the game.

Mesut Ozil was back in the Gunners starting XI at the Vitality Stadium midweek and he needs a big game to show his new manager that he can build a team around the German playmaker.

Liverpool entertain Wolves at Anfield and the title is theirs to lose after their wonderful display at the King Power Stadium on Boxing Night.

The excellent Roberto Firmino's last nine goals for Liverpool in all competitions have all been away from Anfield but the striker has hit a rich vein of form in recent weeks and I expect the Brazilian to find the back of the Wolves net.

Liverpool have an extra 24 hours to prepare for the visit of Wolves – who entertained Man City on Friday – and Firmino is 6/4 at BetVictor to score at Anfield during the 90 minutes.

Liverpool kept their first clean sheet of the season at Anfield against Watford last time and the recommendation is for the Reds to win to nil against Wolves at 23/20.

GOONERS MUST STOP TAKING THE MIK

By JOHN ANTHONY

NEW Arsenal boss Mikel Arteta has called for support from the fans as he settles in at the Emirates.

There has been a toxic atmosphere at the club for a long time as they have slipped down the table. Big gaps in the stands was a key factor in Unai Emery getting the sack earlier this year.

Now Arteta has been lured from Manchester City where he was No2 to Pep Guardiola. And he admits that it's a battle to win all the supporters over despite him being a club legend from his playing days.

The Spaniard started with a scrappy draw away at Bournemouth when the travelling support wasn't exactly over the top in getting behind the team.

That is something Arteta would like to change — and fast.

There is a feeling that some of the fans wanted a more proven manager like Carlo Ancelotti who went to Everton instead.

He said: "First I need to convince the players and then if I can convince the players, afterwards we can convince the fans.

Better

"I think it's very, very important in my job. We play for the fans.

"At the end of the day, they're expecting a lot from us. We have to give them enjoyment, we have to make their lives better and when we win, it will be better because they will be happier.

"It's our responsibility and we have to do everything we can to achieve that.

"I think energy is everything, in life in football and in sports. If we are able to generate this, it will give us a lift.

"I was really pleased with how the fans treated the players at Bournemouth and I was happy that the players went to see the fans after the game as well because we need that connection.

NEW BOSS: Arteta

"Slowly, we need to build that back to where it was. It's going to be very powerful for us to use that."

One man who is happy to see Arteta — although he needs to tell his face — is Mesut Ozil.

The new boss has made it clear that he wants the German to play a big part in his team.

Arteta was impressed by his display against the Cherries. He beamed: "We could have scored a couple of goals because of him."

CITY UP FOR ISCO SWOOP

MANCHESTER City are set to act when the transfer window opens — but it won't be a new defender arriving at the Etihad.

Real Madrid playmaker Isco is the man Pep Guardiola wants to get his hands on next month.

While most City fans are despairing about their leaky defence, the manager is looking for yet more firepower in attack. He has long been an admirer of the 27-year-old who he sees as the natural successor to David Silva who will hang up his boots at the end of the season.

He came close to signing for Arsenal this summer but the deal fell through at the last minute.

And Isco is getting more and more frustrated at having to fight for a regular starting spot at the Spanish giants.

Reports in Spain reveal that he has had talks with president Florentino Perez and made it clear that he wants a move.

And Madrid are looking to free up funds and space in their squad for the likely arrival of Christian Eriksen when his contract runs out in the summer.

City were hoping to wait until the end of the season to make their Isco move.

But that has been scuppered by Chelsea boss Frank Lampard who is also on his trail.

The Blues have had their transfer ban lifted and are looking to make some big-name moves.

City have the upper hand because Isco wants to work with Pep but the deal could be done now to make sure.

By MARK NAYLOR

Despite having him in and out of the team, Real Madrid boss Zinedine Zidane is keen to keep Isco at the club.

He said: "I know Isco very well and I know that when it's his turn to play, he performs very well.

"He shows the personality that he has."

Isco signed for Real from Malaga five years ago in a deal worth £27m. He has two years left on his contract so won't come cheap despite starting only half the club's games this season.

If Chelsea get involved in a bidding war, it could push his fee north of the £60m City were hoping to pay for his signature.

Isco is not the only player on Pep's radar for the January window.

Business

There is also talk of a move for Inter Milan striker Lautaro Martinez.

The 22-year-old has been banging in the goals for the Italians and Barcelona have been showing an interest.

Despite playing with him for the Argentina national team, surprise reports from Catalonia suggest that Lionel Messi is not keen on signing his countryman.

Inter would be happy to do business at around the £70m mark for a player they paid £22m for 18 months ago.

Martinez's form has improved this season as he scored eight goals from 16 Serie A appearances and an impressive five in six on the Champions League stage.

He has also made a big impact for Argentina with nine goals in just 18 appearances — taking some of the limelight off Messi.

Ancelotti goes potti over new forwards

EVERTON boss Carlo Ancelotti is shopping at the January sales for a new striker.

The Italian can't believe the shortage of options up front at Goodison Park.

He has Dominic Calvert-Lewin, out of form Cenk Tosun and youngster Moise Kean as his only players who can lead the line.

That's clearly not enough for a hard Premier League season and explains why the Toffees are in such a struggle.

Ancelotti has been impressed with Calvert-Lewin since taking over but is looking for more firepower.

He said: "He is a fantastic striker in my opinion.

"He is strong with his head but he can improve his movement without the ball.

"He has to be more focussed on the goal but, of course, he is really unselfish and he moves up and down, right and left.

"He has to stay, in my opinion, more focussed on the centre of the box."

Several names are being linked with Goodison with Napoli hitman Dries Mertens right in the frame.

Options

Ancelotti knows him well from his time at the Italian side and a quick deal can be done for the 32-year-old Belgian.

His contract is coming to an end and Napoli could do a deal for as little as £5m next month.

He would probably want a contract until the age of 34 on decent wages.

But Everton don't have too many options for a short-term move and a deal looks likely.

Another Napoli forward is being linked to a reunion with his former boss.

Lorenzo Insigne has already scored 14 goals for the light blues this season and is a big fan of Ancelotti's methods.

The 28-year-old has 34 caps for Italy and would not come cheap.

He was once linked with a move to Liverpool with Jurgen Klopp full of praise for his performances against the Reds in the Champions League.

Insigne would have other options should Napoli decide to cash in.

He would cost at least £50m but his age could put a few teams off.

Not Ancelotti who would jump at the chance of taking him to Everton.

KLOPP'S A BIG TRAORE FAN

LIVERPOOL boss Jurgen Klopp says the hot form of Wolves winger Adama Traore is no surprise.

The 23-year-old was once linked with a move to the Kop when showing promise for Middlesbrough.

But he ended up signing for Wolves and has come on in leaps and bounds this season.

He always had potential and was good enough to start his career in the junior teams at Barcelona.

They have produced some of the best players in the world but the Spaniard was never able to make the breakthrough.

By PAUL THOMAS

He made just one first-team appearance for the Catalan giants before moving to Aston Villa in 2015.

It was another struggle there before Boro stepped in and he started to fulfil his potential.

There were flashes of his quality last season but he has really jumped forward in the past couple of months.

He was the star man as Wolves beat Manchester City to hand Liverpool a boost in the title race.

And Kop boss Klopp has long been an admirer of Traore's talents.

The German thinks he just needed the right manager and he has that with Nuno Espirito Santo.

He said: "He finally found his manager who found a position for him.

"At Middlesbrough he was exceptional, but somebody had to give him the right information.

"A big, big talent. You would never have thought he is that young, but he is still very young, and now he has found the right manager. It was always clear it would happen one day, and now it has. Good for Wolves!

"He is really dangerous. In a big space Jamie Vardy is difficult to defend, but I would say Traore is even more difficult to defend because his speed is exceptional."

Klopp bans talk of league glory

JURGEN Klopp has banned his players and staff talking about the title.

The Liverpool boss wants no mention of ending the club's 30-year wait for the top-flight crown.

The Reds go into the New Year with a huge lead at the top of the table.

By BRENDAN MACKIE

They have seen main rivals Man City and Leicester drop points — but there's still a lot of work to do.

Klopp said: "I am blessed — I have a very smart team.

"That's how it is. It's not as if I have to tell them constantly 'Stay focused!' They are.

"We have so many good characters in the team, they know each other.

"There's nobody who is flying, not a little bit. Two years ago it was like this, and we didn't have the same points lead as this time.

"A few things came together, the quality and the experience we have made together.

"A lot of things are more settled, and all this stuff, so that's all good."
